About IFS Group

- IFS Group is a Building Service Contractor that specializes in Janitorial and Facilities Services to larger clients.
- We can provide a “turn-key” consolidated services solution to meet your operational needs.
- Our #1 priority is Safety, Supervision, and Security.
- We only hire Experienced Professionals which = exceptional service = high employee retention = satisfied clients = high client retention.
- Our professional customer service plan is the key to client satisfaction and long term business partnerships.
- We overstaff our facilities to make sure your needs are always met and to eliminate any decrease in services that most businesses experience due to lack of supervision and staffing.

IFS Success Strategy

Safety, Supervision, and Security are a #1 Priority.

IFS Group delivers exceptional service to our clients by following this success strategy. Our service plan allows you to focus on your core business needs and not on managing or supervising the staff you have outsourced to provide the cleaning and facility service needs under your care. That's our job.

Safety: Understanding regulations and safe work practices.

Communication: Responding quickly by demonstrating pro-activity to all requests.

Working Relationship: Making sure our employees work well with customers employees.

Product & Operation: Maintaining good standards in the workplace and providing optimal performance.

Professional Personnel: Presenting a professional, acceptable appearance, and displaying good conduct on customers site.

Value for Investment: Providing cost effective solutions and exceptional value for the services we provide.

Optimization: We strive to demonstrate continual improvement through better cleaning technology and processes.
